✓	WRKB 738					Gordon Weaver - Cgo		
✓	WRKE 338					Bill Piva - Darien		
	<b>New/Late</b>							

**Net Control has the following items of Standing Traffic:**

(1) This Radio Network is conducted every Sunday evening at 7:00 P.M. All licensed GMRS operators are encouraged and invited to check in. Sky-warn weather nets are conducted from time to time as necessary.

(2) Please be aware that GMRS is a “Wide Band” Radio Service, and use of “Narrow Band” radios with “Wide Band” repeaters will likely cause substantial difficulties. We strongly recommend use of radios operating in “Wide Band” mode.

(3) Licensed GMRS operators who would like more information about NSEA are encouraged to visit our website, [www.NSEA.com](http://www.NSEA.com). To get information about permission to use the NSEA repeaters, click on the “[Contact NSEA](#)” link.

(4) All volunteer Radio Operators are encouraged to submit contact information to be included in the call up. Send your info to [Randy@NSEA.com](mailto:Randy@NSEA.com).

(5) Any person not able to check in to this net on-the-air can do so by sending an e-mail to [Info@NSEA.com](mailto:Info@NSEA.com). Please do so to arrive more than 15 minutes in advance so that e-mail may be checked before the Net begins.

(6) Don’t forget to check your GMRS license expiration date from time to time. You *must* renew in time to keep your call sign. The fee is now \$70 for 10 years.

(7) REGULAR, VOTING Members who need passwords, or an NSEA e-mail address, please send a message to [Randy@NSEA.com](mailto:Randy@NSEA.com).
